

SARJEANT GALLERY PATRON MEMBERSHIP

The Sarjeant Gallery is pleased to present a membership opportunity for supporters who wish to more tangibly benefit the gallery by providing an annual donation to assist Collection acquisitions while at the same time receiving all the benefits of membership.

The Gallery's Collection has been developed through the generosity of individuals by way of gifts, donations and bequests without cost to the Wanganui ratepayer.

As the cost of art continues to rise it becomes increasingly necessary for the Gallery to look to its supporting community for assistance to enable the continued development of this nationally-important Collection.

This membership category means that a minimum of \$100 is treated as a donation to directly support acquisitions and is tax deductible, while the balance of \$25 assists with the provision of membership benefits.
